SMART RECOVERY SAN DIEGO

[Read:]

Thank you for being here today and helping grow connections within our SMART Recovery community. We are dedicated to offering a welcoming, non-judgmental space so that each individual will feel safe and supported both where they are now and in their self-empowered path forward.

All facilitators are volunteers. Your donation to SMART Recovery SD goes directly to bottom-line costs. They make it possible for us to pay for our Zoom licenses (\$700+ each month) and rent for the Community Center in Kearny Mesa Community. Please consider donating by using the links I'll put in the Chat. You can also find information about donating on the same website you used to find this meeting.

Thank you for attending and contributing to the meeting tonight. I hope to see you next week!
